McGraw-Hill Education - Europe. Hardback. Book Condition: new. BRAND NEW, Measuring Leadership Development: Quantify Your Program's Impact and ROI on Organizational Performance, Jack Phillips, Patti Phillips, Rebecca Ray, Prove the financial value of your programs--so funders can't say no "Not measuring the impact of leadership development is like dieting without weighing-in. This outstanding book offers a very logical and practical approach to measuring the impact of leadership development." --Dave Ulrich, Professor, University of Michigan, Ross School of Business, and partner, The RBL Group "This book explains many of the reasons why current leadership development practices miss the mark. A must-read for anyone who wishes to implement a meaningful strategy for developing leaders in their organization." --Rajeev Peshawaria, Executive Director and CEO, iclif Leadership and Governance Centre "Leadership development is an area we instinctively know we need in organizations, but we struggle with how to link it to results. Patti, Jack, and Rebecca make measurement a clear and simple process." --Whitney Hischier, Assistant Dean, Center for Executive Education, University of California, Berkeley, Haas School of Business "Measuring Leadership Development is one of the best business road maps I've seen in quite some time. These three doctors of philosophy offer the right prescription for ailing corporations in today's business climate. I highly recommend it as an essential navigational tool in any corporate handbook." --Marshall Goldsmith, million-selling author of the New York Times bestsellers *MOJO* and *What Got You Here Won't Get You There* "In addition to synthesizing and integrating various streams of information into something meaningful and compelling, the authors outline the fundamental questions that anyone who truly cares about making a difference should answer and they also provide pragmatic approaches and applications to insure high impact." --Teresa Roche, Vice President and Chief Learning Officer, Agilent Technologies About the Book: Leadership development...
