Balboa Press, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.I m not sure how I got started thinking about this. I had mixed emotions when my Aunt said to me, RaeLynn, you could write a book. And it would sell! Thanks, I think. Up until that point, the thought had never crossed my mind. I have had this nagging feeling that what I ve learned could help someone else. Perhaps sharing my story would be the way to do that. If I could help one person, it would be worth it. I did motivational speaking for kids several years ago. I wanted to help other kids that were in the same position as my kids were. I couldn t protect my kids from the negative influences around them so I decided I needed to teach them how to protect themselves. I wrote an introduction, kind of a come see me invitation when I was just getting started. I stated by the time I knew I was a victim, I was already a survivor. But it wasn t so easy for my kids. And that was the honest to goodness truth. I had no idea what I was doing. I had no idea what I had been through. I guess I wasn t worried about me - I was worried about my kids. Make no mistake - I know that what I went through and what my kids went through is nothing compared to what some women and kids go through. Nor do I believe that any amount of abuse is okay. Zero tolerance. Enough said.
