Brand New Book ***** Print on Demand *****.The Face of Despair - The Dark Side of Humanity is not just about despair or a person in the act of despairing. It offers the correct meaning of the despair. The Face of Despair has a voice; a person facing a despairing occurrence is never silent. The words of despair may not be shouted but the person does utter his/her lamentations as their feelings of self despair increase. I ve been a behavioral scientist for over 30-years. And as a behavioral scientist, I have seen the dark side of humanity and the evil that permeates this world. I have counseled this broken humanity - the substance abuse addicts, the sexual predators, child molesters, rapists, criminal elements, the lost, the abused, and the desperate that have simply given up. Is it working? As a caregiver, I rarely think about those questions nor is my work quantitative. I am simply a part of the whole.a foot soldier that is a part of an army of caregivers worldwide. And I truly believe the whole is carrying the fight to the demons of the darkness that choose to wreak havoc and chaos in people s lives. My goal and purpose for writing this treatise is not to solicit a donation or anything pecuniary from my readers. Yes, I want something from you.I want your awareness. The evening news brings into our living rooms daily many of the evil things happening in our world...
