Kathi Bjorkman.com. Paperback. Book Condition: New. Paperback. 438 pages. Dimensions: 8.9in. x 6.0in. x 1.1in. Severely depressed after the tragic death of her husband, Martine has left her legal position with the Denver FBI to convalesce at her childhood home near Durango, Colorado. After six months of rest and prescription medication, she is contacted by her much younger sister, who is a rookie agent with the Arizona FBI, to assist her with some urgent matter that can't be discussed on the phone. The night she arrives at her sister Jolene's home, Martine learns that her own sister's privacy has been compromised, a rising number of young adolescent females are being abducted in the four corners region of the United States, and that Jolene's boss has engaged her as a special consultant on the case. Because the task force that Jolene is a part of has not secured any identifiable forensics or leads, she is requesting Martine discreetly use her paranormal abilities to move the investigation forward. Finding herself in the throes of a new team of agents, a high-powered rogue director, unlikely suspects, thought-provoking psychic dreams, prison interrogations, and growing case files, Martine pursues her own promptings that take her where no one else would go. Led by her Spirit guides and supernatural visions, she uncovers the whole story behind the antique artifacts and ancient archaic beliefs that she unwittingly discovers in a routine interview. With research and the help of others, she exposes the dire tale behind one of the world's most dangerous enemies to man-kind. Unprepared to ever return to work, Martine finds her circumstances complicated by the presence of her college-aged daughters. Wishing they weren't with her at this time, Martine ultimately finds their support and assistance invaluable as she moves closer to solving the case. Controversial, insightful,...
