

Ladder to the Moon (Hardback)

Filesize: 2.73 MB

Reviews

Excellent e-book and useful one. It is written in straightforward phrases rather than confusing. I am just very happy to explain how here is the finest publication I have got read through in my very own lifestyle and might be the greatest book for possibly.

Candlewick Press (MA), United States, 2011. Hardback. Book Condition: New. Yuyi Morales (illustrator). 292 x 251 mm. Language: English . Brand New Book. From Maya Soetoro-Ng, sister of President Obama, comes a lyrical story relaying the loving wisdom of their late mother to a young granddaughter she never met. Little Suhaila wishes she could have known her grandma, who would wrap her arms around the whole world if she could, Mama says. And one night, Suhaila gets her wish when a golden ladder appears at her window, and Grandma Annie invites the girl to come along with her on a magical journey. In a rich and deeply personal narrative, Maya Soetoro-Ng draws inspiration from her mother's love for family, her empathy for others, and her ethic of service to imagine this remarkable meeting. Evoking fantasy and folklore, the story touches on events that have affected people across the world in our time and reaffirms our common humanity. Yuyi Morales's breathtaking artwork illuminates the dreamlike tale, reminding us that loved ones lost are always with us, and that sometimes we need only look at the moon and remember.
