This is a collection of stories about fat, fabulous women. No two of them are alike yet they have to overcome the same stereotypes and prejudices as other large and lovely ladies. Fat bashing is the only socially acceptable form of bigotry left in the United States. Say something like Asians are all., Blacks are all., or even Women are all. and you can get in big trouble, you might even lose your public reputation or your job. But make that Fat women are all. and you'll get laughs. Oh the bitter irony. Americans are getting fatter every day, have been for decades, yet each year we become more obsessed with thinness and ever more fat-phobic. You don't have to put life on hold until you lose X pounds, or can fit into your old high school cheerleader outfit. That's what unites the characters in these stories. They live and love and laugh and lust...and eat, well and heartily. They indulge in all the guilty pleasures of life but they don't feel guilty, or ashamed. They don't try to hide their fat. They celebrate it, and they find others, both...
