iUniverse, United States, 2006. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This body of poetry is the third in the series and completes the trilogy begun in book one. It is the culmination of poetic songs to the divine through love, through praise and prayers and through reflections found in chapters such as Consciousness and Essence, Discovery and Revelations and Eternals. Eternals, for which the book takes its subtitle are flights into the shifting paradigms of current time vs the timeless. The poetic expressions reveal how the eternal forever births itself as eternals. This is illustrated in the last verses of Sonnet L. Eternals Forever Soars: Eternity is reached in the embrace not seen, Of new streams of conscious before Slips beyond eternal s arms to again face The ever new depths of Nameless being. Eternal births eternals evermore, As soul through eternals forever soars. May the sunrises and sunsets, the transitions of night to day and day to night, be the doors opening to the eternal within, as expressed by these poems.
