Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1889 edition. Excerpt: . . . of America. 8. A department of belles lettres furnishes the means of cultivating literary taste and a facility in the graceful use of language, both in speaking and writing, which are as desirable in the engineer and man of science as in the classical student. 9. The subject of applied electricity is taught in a thorough manner by means of complete appliances in the way of instruments for electrical measurements, dynamo machines, electric lamps and the like, so as to fit graduates for responsible positions in connection with electric lighting and other similar companies. No applicant under the age of seventeen years is admitted to examination for the freshman class unless the faculty is satisfied that he is able to bear the burden of the institute course without detriment to his health, nor is any applicant under the age of seventeen allowed to enter...
