Excerpt: . . . 11 them and we are moving forward with the procurement right now for our passport agencies where they will have the ability to see if the drivers license has been tampered. I have to be honest with you, we did two pilots with them and we didnt catch any counterfeit drivers licenses. We are going to go ahead anyway. But we only see one of ten drivers licenses. The other nine go to the postal acceptance agencies or the non-postal acceptance agencies. They dont have that capacity. Since our larg-est partner here is the postal service, they really arent in a posi-tion to invest in this technology. We would have to help the postal service in some way. I would see that as the beginning of the solution. It would detect counter-feit. It would not detect those drivers license which people obtain in another identity other than their true identity. Those will come through as perfect drivers...
