Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Faust: A Grand Fantastic Ballet, in Three Acts and Ten Tableaux The subject on which I have composed the following Ballet, and which I have now the honor to present to the enlightened public of America, is the same on which Klinger Schick writes so extensively, and that furnished to the genius of the celebrated Goethe the plot of a tragedy, justly acknowledged to be the brightest emanation of his brilliant fancy. I trust I may be pardoned if, in order to accelerate the action towards the denouement, I have diverged a little from the beaten track of the story without forgetting the chief aim of the author which is, to exhibit vice in all its deformity, to direct the mind to the love of virtue, and to present innocence and honor in their brightest phases. With this brief explanation I confide my work to the indulgence of the American public, hoping that they will receive it with that kindness and favor which are the characteristics of this great and generous nation.
