John Wiley and Sons Ltd, United States, 2003. Online resource. Book Condition: New. 2nd Revised edition. 226 x 157 mm. Language: English . Brand New Book. Yet for all the benefits-and they are great-inexperience and bad planning can make these events more trouble-and a greater financial drain-than they are worth. Special Events: Proven Strategies for Nonprofit Fundraising, Second Edition is the complete guide to making your next nonprofit event the rousing success it can be. Packed with author and development professional Alan Wendroff's realistic insights and pointers, this text provides a logical and comprehensive outline of event planning, with a special emphasis on fitting these events into the larger framework of the nonprofit's organizational goals. Inside you'll find such helpful tools as:
* Seven goals for a successful event* The Master Event Timetable (METT), a proven organizational tool that provides step-by-step guidance through the entire event process* A case study explaining in understandable detail how to implement the advice and methods outlined* An accompanying CD that includes sample timelines, worksheets, checklists, budgets, writing examples, decision tables, and contracts From choosing the right event to the best way of expressing thanks afterwards, Special Events covers all aspects of producing a winning fundraiser for your organization. In addition to the brass tacks of managing logistics, the coverage includes thoughtful discussions on how to take full advantage of the networking, volunteer recruitment, public relations, and motivational opportunities your special event can provide. This updated...
