The general principle of The Obedience Spiral is that becoming more obedient to God brings us closer to Him. Like a spiral that moves upward or downward about its center point, our obedience determines our closeness with God: less obedience draws us downward, or away from Him, and more obedience draws us upward, or closer to Him. Based on Matthew 16:24 which reads: Then said Jesus unto his disciples, if any man will come after me, let him deny himself, and take up his cross, and follow me, The Obedience Spiral is a revolutionary process that begins with three essential steps for becoming more obedient to God. Even though we love God and sincerely feel that most often we do what He asks, we may have some manners, or ways, we are not aware of that keep us from being as obedient to Him as we could be. This book offers insight into a few specific manners that are pleasing to God and teaches us how to take on these manners. In taking on these manners, we not only become more obedient to Him, we become closer with Him. And, there are rewards in becoming closer with God.
