But something has gone wrong. Very wrong. By the end of the evening Fran is howling in bed with a bottle of cheap brandy and one of Michael's old socks. In her quest to figure out why her life has suddenly gone down the pan, Fran comes up with a fail-safe plan: live like a badger, stalk a stranger called Nellie and cancel her beloved Gin Thursdays in favour of drinking gin every night. But then Fran's friends force a very different plan on her and it's nowhere near as fun. How could eight dates possibly make her feel better? But eventually she agrees. Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
