GRIN Verlag. Paperback. Book Condition: New. Paperback. 28 pages. Dimensions: 8.3in. x 5.8in. x 0.1in. Masters Thesis from the year 2012 in the subject Theology - Miscellaneous, grade: A, - (University Of Metaphysics), course: Master of Metaphysical Science - Reincarnation, language: English, abstract: There are many discussions and opinions on the topic of Reincarnation and its link to the Akashic records. First, this paper will examine myths as well as stated proof of reincarnation, as well as the proof of the existence of the Akashic Records or the abilities of people being able to access the Akashic records. Another goal of the paper is to show individuals as well as some religions including Christianity, that it is possible to find out for themselves that there is such as life after death, and how we as individuals can access information from higher realms. When this information is accessed it allows us to find evidence for ourselves that reincarnation happens to the soul, and that there is life after death. The paper then analyzes the myths and proofs of such existence of life after death and in the next section will discuss the Akashic records and the fact that they do exist and are accessible to each individual on the planet. This section will also bring together Reincarnation and the Akashic Records, revealing how past lives can be healed so that we may finally reach ascension. The last section of this paper will share why we must go beyond religion, which limits our understanding. We must understand that when we find truth we find God, by going within ourselves. We can then see how the human mind with all its limitations keep us from the wide and broad Mind of God. When we truly realize we are both physical and spiritual beings with...
