We Shrink Wrap & Carefully Package Your Order & Quickly Ship It. - Jer. 3:15 - And I shall give you shepherds according to My heart, and they shall feed you with knowledge and understanding. - Although microchip implantation might be introduced as a voluntary procedure, in time, there will be pressure to make it mandatory. A national identification system via microchip implants could be achieved in two stages. Upon introduction as a voluntary system, the microchip implantation will appear to be palatable. After there is a familiarity with the procedure and a knowledge of its benefits, implantation would be mandatory.- Dr. Elaine M. Ramesh, patent attorney for Franklin Pierce Law CenterMost people today are familiar with radio-frequency identification (rfid) technology that is increasingly expanding within public and private firms as a method for verifying and tracking inventory and people.Yet how many know a plan exists for widespread adoption of human microchipping beginning in the year 2017?While testimony has been given that safeguards are in place to ensure privacy in connection with implantable...
