## Vibrant Quilt Collage: A Spontaneous Approach to Fused Art Quilts

By Ash, Bethan.

Interweave. 1 Paperback(s), 2012. soft. Book Condition: New. Recognizing that quilts are essentially collages, Bethan Ash leaves behind conventional patchwork and draws inspiration from such modern artists as Van Gogh and Matisse.

Showcasing her own dazzling designs and those of other quilters in more than 125 color photographs, Ash provides information on some "outside the box" methods, materials, and techniques, and explains how to use hand and machine stitching as a final embellishment to the quilted piece. A professional quilt maker with a background in fashion, Ash proves that traditional materials can be incorporated with photographs, text, and computer-generated imagery. 128.
