

MCQs and Revision Aid in Occupational Medicine (Paperback)

By Ken Addley

Taylor Francis Ltd, United Kingdom, 2003. Paperback. Book Condition: New. 212 x 138 mm. Language: English Brand New Book ***** Print on Demand *****. Occupational medicine has become of increasing importance as a result of the extensive health and safety legislation in the UK. This self test book offers comprehensive coverage for medical practitioners studying for the Royal College of Physicians associateship (and its equivalents) and general practitioners studying for the Diploma of the Faculty of Occupational Physicians. Occupational Medicine is becoming increasingly relevant not least as a result of the extensive health and safety legislation, with many entering the speciality at various levels of involvement and from multi-disciplinary backgrounds. MCQs are a valuable method of revising and are also an established part of many higher examinations. * This book provides those new to the speciality or intending to sit examinations with an excellent means of testing knowledge and prompting areas for further reading. * It also provides those established in the field with a method of reviewing and refreshing the knowledge of this rapidly expanding area. * There are 250 questions covering all aspects of occupational medicine including epidemiology, statistics, stress, legislation and toxicology. The questions are based upon the AFOM...
