How to raise children successfully is a parenting guide that every parent should have. The book contains 11 chapters on key topics that parents should pro-actively do with their children to ensure they raise, happy, healthy, contented and rounded children. Each chapter has up to 15 questions on a development area, which the author answers from his experience in raising his own children. The book is a guide to help parents steer their children into adulthood, as valuable and prepared individuals. One of the key teachings is to be the best parent you can be and to have no regrets in 30 years time. You don t get a second chance with doing the most important job in the world! So, you need a fair amount of discipline and focus to succeed. They are after all, worth it . A recent testimonial: A Transformational Book on Parenting and Childhood. By Bolaji O Wow. Wayne Evans How to Raise Children Successfully gives us parents practical advice about raising their children. Don t let the underspoken book cover fool you. This could be one of the most powerful books you have ever brought into your home. for your family life. IF you put it into action. There s so much good stuff in this book - this is one you can refer to throughout your kid s childhood. I found the ideas for a packed lunch SUPER USEFUL! (.we struggle to come up with new healthy foods to include in the lunchbox every day.) Wayne reinforced the fact that trans-fats are addictive. and talked about how important it is to not label pizza, and McDonald s...
