It's anything that gets between you and the life that you want to be living. Peter Walsh A life uncluttered is a life of opportunity. When we feel stuck or overburdened by our circumstances, often our surroundings will reflect that in the form of too much clutter and need-less things . Obviously we acquire these things over time for specific reasons, but once their usefulness has been exhausted, it's our attachment to them that creates an atmosphere of chaos, confusion, and fearfulness. In Letting Go: The Dao of Decluttering you'll be given an actionable and realistic game plan for decluttering your home and creating organizational habits that stick. As you switch gears from clutter to minimalism, you'll soon realize that the things in your life are only as important as the meaning you give to them and that by changing your relationship with them, you change your relationship with life.
