I know what the distributor is going through and because of that I can talk to them in a way that no one else can. Whether you re a beginning or advanced network marketer, you will learn how to get people to try samples, buy products and become distributors, and the most natural ways to make new connections and nurture those relationships. Jim and Brian s new book was a really great surprise and I was stunned at the precise tactics and strategies that were in there and many I had never seen before. This book I predict will become a classic in the home business social media arena and this is a MUST READ for anyone who is serious about their network marketing business utilizing social media and facebook for massive success!
