HarperCollins Publishers, United States, 2006. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.To everyone who truly loves the game, Mickey Mantle epitomizes the golden age of baseball, when the mighty New York Yankees indisputably ruled, appearing in an unprecedented twelve World Series in fourteen years! In this intimate memoir, Mantle recounts the joys and trials of his rise from rural Oklahoma youngster to the pinnacle of baseball greatness. In All My Octobers, the one and only Mick relives every one of his World Series appearances -- from the 1951 battle when he played alongside an aging Joe DiMaggio to his three-home-run performance in the 1964 showdown. In addition to the on-field heroics, Mantle talks candidly about the injuries, the alcohol, the parties and celebrations, and the terrible toll they can take on a young athlete's life. But most of all, it is a remembrance of October greatness, of postseason pyrotechnics . . . and a loving appreciation of a team of titans that achieved something marvelous and unequaled to this day.
