Tamika Gray, known on the streets as Kitty Kat, knew what it was like to shake your money maker for a dime. She knew that the streets were no place for a conscience and thanks to her abusive step father, she had no conscience left to sacrifice. Tamika never saw the possibility of a life beyond street corners and fifty dollar blowjobs until she met Jackson Craig. He opened up her world, and her bank account, in ways she never thought possible and taught her new ways to release her aggression. Determined to teach a stone cold lesson to a less than perfect or two, Tamika learns the dangers of falling in love and vows to never become a victim until Daniel Paulson turns her world upside down. But when the chips are down and the guns are out, will love be enough to save her. Find out in Called to Kill, an enthralling novel with a spoonful of danger, a pinch of love and a whole lot of clothes off that will have you hooked until the last word.
