When you're in a bad place spiritually and waiting for guidance from God, the wait can seem never-ending. Instead of losing your faith and asking what God is doing, take a look at what He's already done. It's also important to understand that your waiting time depends on the choices you make. This guidebook compares waiting for God's guidance to waiting for a doctor. You can learn the essentials of waiting and ways to determine your number in line. Discover how to make an appointment with God; recognize the consequences of missing an appointment; live a healthy and prosperous life; and help others move toward the Lord. There are doctors for every physical ailment under the sun-backaches, stomachaches, and even heartaches. But when your problem requires divine intervention, you need a spiritual doctor who can give you the medicine you need. Live a more spiritual life, and improve your life, health, and outlook on life. It all begins by going where you can get the right treatment-God's Waiting Room.
