Penguin Putnam Inc, United States, 1997. Paperback. Book Condition: New. Reprint. 170 x 107 mm. Language: English . Brand New Book. Can Qwill and the cats find the rich embezzler who has cheated Moose County out of millions of dollars? When the affluent owner of a historic steam locomotive and private railcar absconds with millions of dollars belonging to Moose County investors, police are called in to search for the fugitive. In Pickax, journalist Jim Qwilleran and his feline sleuths probe another mystery, however: Who blew the whistle on the embezzler, and why? With the help of Koko and Yum Yum, Qwill proves that the police are on the wrong track. The mystery is just beginning to heat up, and no easy solutions are at hand. Disturbing questions are left unanswered: What caused a train wreck on the main line? Is there a connection between the wreck and the missing millionaire? When a dead body turns up in a railroad tavern, it's obvious someone has a secret he is willing to kill to keep. Can Qwill and the cats find out who blew the whistle, before they are silenced permanently?.
