Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Chosen Tree is a story about a young seedling and how he overcomes adversity with his faith. He knew he was created for something special and believed every day was one day closer to that purpose. As he grew the other trees in the forest would make fun of him. He was growing much taller and stronger and they were jealous. The story continues with more humiliation for the Tree Family as they endured the ugly remarks from the other trees in the forest. They continued to take care of the new seedlings, happily protecting them from harm. Because Son Tree and his family believed God had a special plan for him, they were able to face each day with joy. Being kind and obedient, they were richly rewarded.
