9780473234492. Paperback. Book Condition: New. Paperback. 158 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. This is the second of two journals that were inspirationally channelled by the author over a period of six months. At six-thirty pm each night he would start yawning at the dinner table and by seven pm would sit down to write, and a number of foolscap pages, some in rhyming verse would flow from his pen. Although the instructions were personal to him, they will also inspire others walking the pathway to spirituality. The writings in Journals 1 and 2 were written over 40 years ago but never published. He seeks to show the Way also, to show others how to seek for themselves. What he was given was to simplify a subject that has been made complicated by being passed through many hands and many minds and was distorted in its journey. The writings covered many spiritual subjects. It might be meditation, it might be prayer or healing. As the authors knowledge progressed, the type of writing that was being received increased in depth. He had...
