BRAND NEW, Spitfire People: The Men and Women Who Made the Spitfire the Aviation Icon, Paul Beaver, This book presents a fresh angle on the Spitfire by examining the contribution to its development and achievements by over 65 people - some famous, others not - ranging from politicians to pilots. Published to mark the 75th anniversary of the Battle of Britain, this book presents a fresh angle on the Spitfire by examining the contribution to its development and achievements by over 65 people, some famous, others not. Without the courage and tenacity of some leading political and military figures and the hard work of lesser-known mortals, there would have been no Spitfire, no Battle of Britain and no ultimate victory in 1945.
